

Rules

\$75 entry fee

of places paid will be approx 20%

100% payout

if you end w/ below 1000, the most you can take out of the ranked pot is your entry fee, \$75.

if fewer people are left than are supposed to be paid, the bottom place amount(s) will be split between the others

any remaining pot money, will be split in \$5 increments starting with 1st place, 2nd, etc, then back to 1st

all play & stats will stop if there is one person left, he will not be allowed to bet out the rest of the year

ties will be decided by "win %", then "total amount bet"

you do not have to end the year with over 1000 pts to be eligible for the statistics payout

if the name is grayed out on the statistics tab then that player's total amount is down to 0

there are no buy-backs

everyone starts with 1000 units to bet

minimum bet per **week** is 50 (you do not have to bet on mid-week, sunday, AND mnf games)

minimum bet increment is 50

there is no maximum bet except the amount you have

if you do not bet one week you will use your mulligan

each player gets one mulligan

if your mulligan is used and you do not send in bets for the week, you will be penalized 100

bets need to be sent to tony@dzubay.com by Friday 12:30 unless otherwise specified

 the green bar above someone's name means they have taken their mulligan

if you are stressed for time or on the road, you can text me your picks also. 507.261.9932. :)

home teams will be in CAPS

the first team listed is always favored even if I forget the "-" sign, unless it says "even"

if "off" is in the O/U cell then there are no bets on that game for the week

the line is set once it is sent out to all players even if they change before the games start

line for this year will be obtained from usatoday.com/sports/gaming/sheridan

 indicates the bet was won and that amount bet will be added to your total

 indicates the bet was lost and that amount will be subtracted from your total

 indicated a push which will not affect your total

You can also pay me via PayPal, but please follow the below instructions so a fee isn't taken out of the entry.

It's free to receive money when it is sent from the PayPal website using a PayPal balance or a bank account.

If you receive a payment from a debit or credit card, the sender has the option to pay the fee or pass it on to you.

If the fee is passed to you, it is 2.9% plus \$0.30 USD of the amount you receive.

For example, if you are sent \$100.00 USD by credit card, the fee would be \$3.20 USD (\$2.90 + \$0.30).
