You can also pay me via PayPal, but please follow the below instructions so a fee isn't taken out of the entry.

It's free to receive money when it is sent from the PayPal website using a PayPal balance or a bank account.

If you receive a payment from a debit or credit card, the sender has the option to pay the fee or pass it on to you.

If the fee is passed to you, it is 2.9% plus \$0.30 USD of the amount you receive.

For example, if you are sent \$100.00 USD by credit card, the fee would be \$3.20 USD (\$2.90 + \$0.30).
