\$25 entry fee, 100% payout
you may enter 1 team into the league

everyone starts with 1000 pts
minimum bet per **week** is 50
minimum bet increment is **50**
there is no maximum bet except the amount you have
if you send in a bet without an amount along with it, the bet will be 50
if you send in bets that are over the amount you have, I will **remove/reduce bets** at the end or bottom of your list
bets need to be sent to tony@dzubay.com by Friday 12:30 unless otherwise specified
if you are stressed for time or on the road, you can text me your picks also. 507.261.9932
If you do not submit bets for the week you will lose 50 points

home teams will be in CAPS
if "off" is in the O/U cell then there are no bets on that game for the week
if "vs" is in the teams cell then there are no bets on that game for the week
the line is set once it is sent out to all players even if they change before the games start
line for this year will be obtained from www.sportsbook.ag

if you end w/ below 1000, the most you can take out of the ranked pot is your entry fee
if fewer people are left than are supposed to be paid, the bottom place amount(s) will be split between the others
any remaining pot money, will be split in \$5 increments starting with 1st place, 2nd, etc, then back to 1st
all play & stats will stop if there is one person left
ties will be decided by "win %", then "total amount bet"

if the name is grayed out on the statistics tab then that player's total amount is down to 0

 indicates the bet was won and that amount bet will be added to your total
 indicates the bet was lost and that amount will be subtracted from your total
 indicated a push which will not affect your total

You can also pay me via PayPal, but please follow the below instructions so a fee isn't taken out of the entry.

It's free to receive money when it is sent from the PayPal website using a PayPal balance or a bank account.
If you receive a payment from a debit or credit card, the sender has the option to pay the fee or pass it on to you.
If the fee is passed to you, it is 2.9% plus \$0.30 USD of the amount you receive.
For example, if you are sent \$100.00 USD by credit card, the fee would be \$3.20 USD (\$2.90 + \$0.30).
