

## Rules

\$75 entry fee, 100% payout (minus \$50 website upkeep cost)

# of places paid will be approx 15%

you may enter 1 team into the league

everyone starts with 1000 pts

minimum bet per **week** is 50 (you do not have to bet on mid-week, sunday, AND mnf games)

minimum bet increment **is 50**

there is no maximum bet except the amount you have

if you send in a bet without an amount along with it, the bet will be 50

if you send in bets that are over the amount you have, I will remove/reduce bets at the end or bottom of your list

bets need to be sent to [tony@dzubay.com](mailto:tony@dzubay.com) by Friday 12:30 unless otherwise specified

if you are stressed for time or on the road, you can text me your picks also. 507.261.9932

each player gets one mulligan (no bets needed for the week)

If you do not submit bets for the week and have used your mulligan, you will lose 50 points

home teams will be in CAPS

if "off" is in the O/U cell then there are no bets on that game for the week

if "vs" is in the teams cell then there are no bets on that game for the week

the line is set once it is sent out to all players even if they change before the games start

line for this year will be obtained from [www.sportsbook.ag](http://www.sportsbook.ag)

if you end w/ below 1000, the most you can take out of the ranked pot is your entry fee, \$75.

if fewer people are left than are supposed to be paid, the bottom place amount(s) will be split between the others

any remaining pot money, will be split in \$5 increments starting with 1st place, 2nd, etc, then back to 1st

all play & stats will stop if there is one person left, he/she will not be allowed to bet out the rest of the year

ties will be decided by "overall", then "win %", then "total amount bet"

you do not have to end the year with over 1000 pts to be eligible for the statistics payout

if the name is grayed out on the statistics tab then that player's total amount is down to 0

the "overall" category assigns points from 1st to last in each category, adds together, low score is best

\*note\* that the "most lost in one week" assigns points opposite of the rest
