

The Everlasting House Cup

The EHC and trophy stand will be awarded to the TAC Champion Golfer of the Year.

The current Champion is the caretaker of the Cup. His responsibilities are simple, yet unwavering.
It shall be kept clean • It shall be respected • It shall not be defiled • It shall not be shared

The benefits and privileges of being the owner of the EHC:

- ❖ The Cup owner can request another TAC participant to fill, pour or transfer any drink into the EHC and hand it to the Champ
- ❖ Fillers must address the EHC owner as "Champ" when handing over the Cup
- ❖ EHC owner has 'dibs' on all drinks when a conflict arises
- ❖ The Champ may ask filler to fetch EHC at any time
- ❖ The EHC does not require filler to purchase a drink on his own dollar

Tie breaker for the Cup uses the following in order until a winner is determined:

- 1) Best Partner / Effectiveness category (scores used + ½ scores tied - scores not used)
- 2) Handicap Difference category (GHIN equivalent - hcp given)
- 3) Best 2 of 3 'tee flips' in the presence of fellow TAC participants

note TAC rookies or partial-round players are not eligible. The next place will gain control of EHC.
