of places paid will be approx 15%
you may enter 1 team into the league

everyone starts with 1000 pts
minimum bet per **week** is 50 (you do not have to bet on mid-week, sunday, AND mnf games)
minimum bet increment **is 50**
there is no maximum bet except the amount you have
if you send in a bet without an amount along with it, the bet will be 50
if you send in bets that are over the amount you have, I will remove/reduce bets at the end or bottom of your list
bets need to be sent to tjdzubay@gmail.com by Friday 12:30 unless otherwise specified
if you are stressed for time or on the road, you can text me your picks also. 507.261.9932
each player gets one mulligan (no bets needed for the week)
If you do not submit bets for the week and have used your mulligan, you will lose 50 points
if any game is cancelled or pushed beyond Tuesday, the bet will be pushed

home teams will be in CAPS
if "off" is in the O/U cell then no O/U bets are allowed on that game
if "off" is in the teams cell then no team bets are allowed on that game
the line is set once it is sent out to all players even if they change before the games start
line for this year will be obtained from www.sportsbook.ag

if you end w/ below 1000, the most you can take out of the ranked pot is your entry fee, \$75.
if fewer people are left than are supposed to be paid, the bottom place amount(s) will be split between the others
any remaining pot money, will be split in \$5 increments starting with 1st place, 2nd, etc, then back to 1st
all play & stats will stop if there is one person left, he/she will not be allowed to bet out the rest of the year
ranked pot ties will be decided by "overall", then "win %", then "total amount bet"
you do not have to end the year with any pts to be eligible for the statistics payouts
stats categories ties will be split

if the name is grayed out on the statistics tab then that player's total amount is down to 0
the "overall" category assigns points from 1st to last in each category, adds together, low score is best
note the "most lost in one week" assigns points opposite of the rest

 indicates the bet was won and that amount bet will be added to your total
 indicates the bet was lost and that amount will be subtracted from your total
 indicated a push and your amount bet will be refunded to your total
